The Governing Body normally meet twice termly. They have met more frequently in the Autumn Term 2021 to continue to review a Leadership restructure due to the announced retirement of the Executive Headteacher in October 2021. Meetings in this academic year have been a mixture of remote meetings via Zoom and physically in school; whilst Governors wish to meet in school, national and local guidance will always be followed. Governors reviewed their Committee structure in September 2021, and have two Committees: Finance and Premises Committee and Pay Committee. Governors meet regularly with Senior School Leaders to monitor areas identified as key for development, reporting each term to the Governing Body.

Governors are required to publish their attendance at full Governing Body meetings and Committee meetings for the last academic year. This requirement also applies to Governors who have stepped down (or completed their four year term) in the last twelve months. Governors no longer in post are listed at the bottom of the table below.

Governor attendance at meetings from September 2020 to July 2021

Not all Governors sit on committees, so greyed-out blocks below indicate that the Governor is not a member of that Committee. The Pay Committee usually meets once each year, to consider the recommendations of the Executive Headteacher and Head of School.
