

14th January 2022

Dear Parents and Carers,

At Cavendish, we have a strong sense of community and our children come from a rich variety of cultures and backgrounds.

One of our equality objectives is to find and use opportunities to increase representation of minority ethnic groups and/or people of colour in the Cavendish curriculum and other areas, e.g. books and authors in the school library. As a result, we have compiled a list of recommended books which will help increase diversity within our selection of books.

We thank the Friends of Cavendish who are fundraising to help us buy more books for the school and, in addition, we have now created an Amazon wish list with a list of recommended books which represent people of colour but also, for example, promote equality for other groups, e.g. challenging gender stereotypes.

We invite you to look through our Amazon wish list and, if you would like to purchase a book of your choice to donate to the school, we would be very grateful to receive it. Please copy this link to access the wish list <https://amzn.eu/dDvBMJo>

If you select a book from this list, you will be able to purchase it directly from your own Amazon account and select delivery directly to the school.

We will be adding additional books to the wish list over time and would welcome any recommendations which you may have to add to the list. We also plan to add the link to the Cavendish website.

If you have any questions regarding the list or have any difficulties accessing the list, please contact the School Office.

Thank you for your continued support.

Yours sincerely,

Mrs Anna Coleman
Head of School
