

PE & Sport Premium – 2020-21

Overview

What is Sport Premium?

Sport Premium is the funding provided by the Government Departments for Education, Health and Culture, Media and Sport in order to improve the quality of Physical Education and Sport in Primary Schools. Each school receives £16,000 plus an extra £10 per pupil from Years 1 to 6. The money can only be spent on sport and PE provision in schools. The money is used for the benefit of all children.

Key Principles

Cavendish Primary School uses the Sport Premium funding according to the following principles:

- Ensuring a focus on the delivery of high quality PE teaching which raises achievement and increases rates of participation and meets the needs of all our learners
- Providing unique opportunities through PE and Sport for children to learn about healthy lifestyles and develop personal qualities such as self-confidence, resilience, leadership, initiative and self-control
- Extending our offer and pupil participation in extra and additional curricular PE and Sports activities
- Enhancing links with other schools and organisations in the wider community through engagement in sporting events and activities, including competitions

Allocation 2020-21

Cavendish Primary School received a total amount of £17690.00 for the financial year 2020-21.

This represents an allocation of £16000.00 plus an additional £10 per pupil for 169 children.

Impact and Outcomes 2019-20

Allocation and Use of Funding 2019-20

Cavendish Primary School received a total amount of £17650.00 for the financial year 2019-20. This represented an allocation of £16000.00 plus an additional £10 per pupil for 165 children.

Use of Funding

In 2019-20 Sports Premium was allocated to the following areas:

- Providing opportunities for children to engage in competitive activities and events across a range of sports
- Enhancing the quantity and quality of our PE resources
- Funding extra and additional sports activities including at lunchtime
- Training opportunities for staff

The impact of the funding has led to the following outcomes:

- Raised the profile of PE and sports among all stakeholders
- Increased the levels of confidence, skills, knowledge and understanding and engagement among class teachers with a focus on effective gymnastics lessons as facilitated through training and support delivered by Sport Impact
- Developed the confidence, skills, knowledge and understanding of our prospective subject leader
- Further improved the quality of lessons and breadth of PE through the introduction and implementation of a new curriculum 'Get Set for PE'
- Used PE and sports opportunities to support the personal development of pupils in line with the values of the school i.e. kindness, resilience, curiosity and integrity, along with their knowledge and understanding of healthy lifestyles
- Improved the availability of sufficient and appropriate resources to teach the curriculum effectively
- Maintained the proportion of pupils involved in intra-school sports competitions and activities
- Secured good rates of progress for pupils in all year groups across all areas of PE

Please note that these outcomes were based the monitoring and evaluation processes prior to the National Lockdown in March 2020 and that progress was significantly compromised between March and July 2020.
