The Governing Body meet twice termly (they met once during the Spring 2018 term). Governors reviewed their Committee structure in September 2017, and agreed to continue without committees. Governors meet regularly with Senior School Leaders to monitor areas identified as key for development, reporting each term to the Governing Body

Governors are required to publish their attendance at full Governing Body meetings and Committee meetings for the last academic year. This requirement also applies to Governors who have stepped down (or completed their four year term) in the last twelve months. Governors no longer in post are listed at the bottom of the table below.

Governor attendance at meetings from September 2017 to July 2018

Governors are not all on every Committee, so greyed-out blocks below indicate that the Governor is not a member of that Committee.
