

11th May 2020

Dear Parents and Carers,

Hounslow Music Service have given Cavendish access to a music resource called Charanga which many schools in Hounslow use in their Music lessons. We do not usually use Charanga because our specialist Music teacher, Mrs Jones, plans her own lessons but while the children are learning from home we believe Charanga would be an enjoyable resource for the children to use.

These are the instructions:

Go to <https://hounslow.charanga.com/yumu>

Enter the Cavendish user name and password on the screen:

Reception, Year 1, Year 2

Cavendish User Name: p1224857

Cavendish Password: ensemble

Year 3, Year 4, Year 5, Year 6

Cavendish User Name: p1224909

Cavendish Password: atomic

Normally each child would be given an individual login but, for Home Learning, Hounslow Music Service have given us just one login for Early Years and Key Stage 1 and one login for Key Stage 2.

In addition, Mrs Jones has recommended the following websites:

www.outoftheark.co.uk (which includes free resources to use at home)

www.classicsforkids.com

Please do explore the resources and I hope your child enjoys listening to and joining in with the music at home.

Kind regards,

Mrs A. Coleman
Head of School
