Teachers and children to have easy access to tissues and bins. Signage to remind children and staff about the importance of hand washing, using tissues etc. Teachers to implement a strict no touching of other children's property. 	Executive Headteacher Head of School Teachers Support Staff
	1.6 Implementing Procedures and Routines for Social Distancing	<ul style="list-style-type: none"> Parents/carers and children to walk into school premises in household/protective bubble groups only and keeping 1+ metres apart from others. Chevron markers installed to help guide the process. Parents/carers to be advised to ensure social distancing outside the school entrance or exit or when dropping-off or picking-up their children on the school premises. Teachers to encourage social distancing within the Learning Bubbles where possible. Teachers to use appropriate lessons e.g. PSHE, language/stories, measurement, numbers etc to reinforce a clear understanding of the importance of social distancing among the children. Playtimes to be staggered to restrict the number of children and staff to a maximum of 60 at any one time. Signage as reminders i.e. one-way movement, one at a time entry to and from the classroom whilst keeping 1+ metres apart. No parents/carers and any other visitor to enter the school building without permission from a member of the School's Leadership Team. Where 1+ metre social distancing is not possible between staff and children, staff should try to ensure that the interaction is for less than 15 minutes. Encourage parents/carers to avoid parking their vehicles close to the school gates. 	Executive Headteacher Head of School Teachers Support Staff Site Manager Parents/Carers
	1.7 Managing Lunchtimes	<ul style="list-style-type: none"> Hot meals to be prepared and served/delivered by our caterers Chartwells, including for children entitled to Free School Meals (FSM). The dining hall, main hall areas and community room to be used to ensure that each Bubble can have their lunch separately. Tables and chair to be cleaned between sittings. Pupils who wish to bring in their own packed lunch will need to keep lunch boxes, water bottles etc to be kept separate from other children. Any excess, unwanted food and packaging to be disposed of immediately after finishing eating and disposed of in a designated bin. A staggered approach will be implemented to restrict the number of children and adults in each designated play and eating area at any one time i.e. separate Learning Bubbles. 	1.8 Use of Personal Protective Equipment PPE	<ul style="list-style-type: none"> Personal protective equipment (PPE) will be made available for staff. This will include visors, masks, aprons and gloves. Typically, this will be used if they need to support a child and social distancing is not possible e.g. to administer first aid or help a child to change. PPE will be supplied for staff travelling by public transport and adjustments to start times may be considered to help them to avoid crowds. It is not necessary for Primary aged children to wear a face mask. This will be discouraged in school in accordance with government guidance. A sufficient amount of PPE will be stored in each designated learning area. Non washable, cleanable PPE items will be disposed of immediately after use in a designated bin. Adult visitors will be expected to wear a face mask if entering the school building unless exempt. Parents/carers will be encouraged to wear a face mask when picking up and dropping off their children, especially when social distancing is more challenging e.g. when they find themselves in a queue.
