

Dear Parents and Carers

World Book Day

We had lots of fun celebrating World Book Day on Tuesday, 6th March, and we have awarded the certificates for our favourite costumes. We would also like to take the opportunity to thank all parents and carers for your help with the costumes and for sharing this special assembly morning with us.

Internet Safety Parent / Carer Workshop

On Wednesday, 7th March, we welcomed parents to a workshop on internet safety, run by the NSPCC. Parents listened to advice on how to enjoy the internet with their children and how best to manage the risks. The Net Aware website was particularly recommended as a parental guide:

<https://www.net-aware.org.uk/>

A link to this website has been added to the Parents section of the Cavendish Website, under Safeguarding. This also includes information for parents from Safer Internet Day 2018, which took place in February, during which the children learned about how to keep themselves safe.

Early Years Visits

Reception class received visits from the police and from Barry, a London Ambulance paramedic. The children learned more about their jobs and how to stay safe. They also had fun trying some of the equipment.

Early Years also received a visit from a farmer and had the opportunity to hatch their own duck eggs.

Sponsored Bounce

This week we held a sponsored bounce event to raise money for our English department on Wednesday, 14th March. The whole school took part in the event and attempted to do as many bounces as they could around the school playground in one minute, using a space hopper. Your support has been greatly appreciated so far and we will send out a letter with the total amount raised.

Travelling Book Fair

Starting with 19th March, for one week, we will organise our Travelling Book Fair. Through this event we try to help bringing children and books together by showcasing the very best books to engage every type of reader. Every book sold will help to earn free books and teaching resources for our school.
