

Dear Parents and Carers

Breakfast Club and After Care are open!

The Breakfast Club will now open at **7.45am** (instead of 8am) as a trial.

After Care closes at **5.45pm**

The daily cost of the Breakfast Club is **£4.50** and After Care is **£9.50** (£8.50 for full time places).

If you have not used either of these provisions before, please contact the School Office to register.

A very **BIG** welcome to our new Nursery and Reception children and parents/carers!

Watch this space for news and photos of how the children are getting on in their new school and class.

School Dinners Payments

A reminder that all school dinner accounts should now be paid weekly. School dinner payments are made in the Accounts section of ParentMail where you can top up your account daily or weekly.

If you think your child may be entitled to Free School Meals, please apply through the London Borough of Hounslow website (or the borough you live in).

Please do contact the School Office if you have any questions regarding the provision of school dinners.

Reconnecting

Our children are all settling well into their new classes and our new ways of working. Years 5 and 6 are pictured reconnecting with each other after a very long time apart. We have openly discussed our new way of life living with the virus and we are constantly surprised and impressed with the way our children have adapted to new systems and routines.

Could you be a Midday Supervisor?

We are currently looking for a temporary Midday Supervisor to work in our school during the children's lunch time break.

You must be flexible and enjoy working with children. If you are interested in knowing more about this position, contact the School Office.

Social Distancing

Reminder

Thank you to the majority of our parents who are being careful to practise social distancing within the school grounds and around the school gates. However, we are having to remind a few parents to follow social distancing rules, in order to protect everyone in the school community, including other parents, children and staff. If you are finding it difficult to keep your distance, please wear a face covering. We also remind parents to phone or email the school if you need to speak to your child's teacher, to help prevent congestion in the school grounds.

Thank you for your understanding.
