Competition!

Look out for photos of the children with their trophy in the next newsletter.

Year 1 - Hogarth House Lesson

The children in Year 1 enjoyed a Zoom workshop from Hogarth House. They made paper fans, collected leaves and drew snowy mountains. They learned all about the Mulberry tree in Hogarth House gardens. The children used their imaginations to think of all the wonderful places the seed could have come from before growing into a beautiful tree.

REMINDER

Please remember that the school is closed next Friday 27th November.

Y3 - Religious Education

Year 3 have started their new RE unit learning about Christianity. In this lesson they discussed what Christmas means to them and whether they celebrate it or not. They also discussed why Christmas is so important to Christians. To finish off the lesson they made 'Christmas freeze frames' to represent something to do with Christmas. This was great fun and the children had some inventive and very unique ideas! See if you can work out what the children might be doing!

Absence Reporting

If your child is absent from school please call the Office and leave a message on the absence line. For other messages, please call the office and leave a message, if necessary. Please do not use the Office email address for urgent messages.

Falconry Workshop

Reception, Year 1, Year 3 and Year 6 had a fabulous time in their bird of prey workshops. They got to meet Brooklyn and Bailey the owls, Rocco the falcon and Blu the kookaburra. They also learnt lots of interesting information about the birds. A big thank you to all the families who contributed towards the cost of the workshops and to Jason and Tammy at Falconry UK for visiting us, we had a brilliant day! We hope to invite them back next year to work with the other year groups.
