

## Dear Parents and Carers

### UK Parliament Week

Last week was UK Parliament Week. The children from Years 1 to 6 had an assembly about the Houses of Parliament: the House of Commons and the House of Lords and the people who work there. Year 5 took part in some debating activities and shared what they had practised during another assembly. A trip has been booked for Year 6 to go to the Houses of Parliament next term.

### Children in Need

Thank you to parents, carers and children who donated to Children in Need. The school raised £85.

### Parents Consultation

This was the first Parents Evening when appointments were booked online through ParentMail. We found this to be a better way to enable parents to book appointments, especially those of you who work during the school day. We hope you agree.

### Punctuality

Please remember that the children should be in the playground and ready to line up by **8.50am** at the latest. We have noticed that too many children are arriving at the school gates later than this. Children arriving late can cause disruption to routines for the whole class.

Thank you to the majority of parents who bring their children on time.

### Partial Lockdown Practice

We had our first Partial Lockdown practice on Thursday. The process had been explained to the children in Monday's assembly and they reacted calmly and sensibly when staff locked the windows and put down the blinds in each classroom. Next term we will practise a Full Lockdown.

### Occasional Day

Just a reminder that next Friday, 30<sup>th</sup> November, is an Occasional Day and the children will not be attending school.
