

## Dear Parents and Carers

Nursery and Reception class were very fortunate to have had ducklings in this month. Five of the eggs hatched and the children were able to give the ducklings a bath!

Year 5 went to visit Kings House School to take part in Eco Day where they learnt about recycling and sustainability issues. They also enjoyed chips and chicken for lunch and had a wonderful time joining in with children from other schools.

We would like to thank Joanna McCaul for volunteering her time to provide the children in Year 3, 4, 5 and 6 with a British Sign Language workshop on Thursday 16th March in support of British Sign Language Week. The children and staff were surprised by how quickly there were able to learn signs and found it to be very interesting.

### Volunteers

We are looking to run a pupil parent planting project in the Summer Term. This would preferably be a Friday afternoon in good weather, to work with the children in creating beautiful flowerbeds near the Year 3 & 4 Classrooms. We have approached the Chiswick Horticultural Society for support with this and they have shown an interest.

We hope to start this on Friday 5th May 2017. If you are able to volunteer some time please let the school office know.

### Health & Safety

Please can we remind all parents that children are not to ride on scooters, bikes or skateboards within the school grounds. There have been incidents within the school grounds that have been caused by the use of these items and we must ensure that the children remain safe at all times.

### Breakfast Club

There are vacancies in Breakfast Club, the club begins at 8am and is located in the Community Lounge. The cost is £3 per session. If you would like for your child to attend please collect an application form from the school office.

### Parent Consultations

If you were unable to attend the parent consultation appointments please could you speak with the class teacher directly to reschedule for a more convenient time.

### Parentmail

After the Easter Holiday we will be a cashless school. If you have not yet registered your account using parentmail please do as this will be the only means of making payments for dinners, clubs and trips.
