

Dear Parents and Carers

Cavendish Bike Ride

Last Friday, the Cavendish cycle team successfully made the 60 mile trip to Brighton! We would like to say a big thank you to the team, who raised over £3000! We would also like to say a big thank you to all those who kindly donated. Bring on the lights!

Harvest Festival food donations

As you know, our Cavendish harvest festival will take place on Wednesday 11th October and all parents are invited. We are asking all parents to kindly make a donation of food for the Upper Room Charity, who do a wonderful job caring for the homeless and vulnerable people of West London. Tinned food, dried food, sauces, long life milk and juices, toiletries, food utensils and clothing are most welcome.

Thank you for your support.

Bike Sheds

We are delighted that so many of our pupils cycle to school. Please

make sure that your child puts their bike in one of the designated bike sheds at the back of the school, not in the small racks at the front of the school, which are intended for scooters only. Thank you for your co-operation.

12th October - Parent / Carer Workshop

Following our successful parent/carer workshops during the last school year, we have organised a **Parent/Carer Workshop on Oral Health and Healthy Eating**. This will take place on Thursday 12th October at 9am, after drop-off, in the school hall. NHS advisors will offer suggestions on healthy food, tooth brushing etc. and will provide **free tooth brushing packs** to those who attend. This is particularly aimed at the parents/carers of our younger children from Nursery to Year 2, but all parents and carers are welcome. Refreshments will be served. Please inform Mrs Coleman or Mrs Sullivan if you would like to attend.

Beat the Street Update

As you all know, Beat the Street is up and running and Cavendish children are doing their part to stay fit and healthy. Cavendish is currently around mid-table in the competition, so please take part and put on those walking shoes!

Keeping children safe

Please can parents support the school by ensuring your child doesn't use the climbing frames before or after school. Thank you.
