

Dear Parents and Carers

Year 6 Residential Trip to Hindlap

Last week Year 6 spent five days at the outdoor activity centre at Hindleap Warren in East Sussex. We were delighted that every child from Year 6 went on the trip and that they all had such a positive week challenging themselves. Year 6 parents and carers will be invited to a class assembly within the next few weeks to see more photographs and learn more about their adventures.

Parent Teacher Association (PTA)

The PTA held their Annual General Meeting at Cavendish on Thursday evening. A big thank you to Caroline Service, who has stepped down as PTA Chair after a wonderful year of events and fundraising, and we welcome Jo McCaul as the new PTA Chair. We would like to say thank you to everyone in the PTA who has supported Cavendish so well.

Class Reps

The PTA would like to invite more parents/carers to volunteer as Class Reps who would liaise with parents/carers about upcoming PTA events and who would also be invited to half-termly meetings with Mr Murrell and Mrs Coleman to discuss school plans and give feedback. If you are interested in becoming a Class Rep, please contact one of the PTA Team or inform the school office.

Vacancy for Co-opted Governor

We have a vacancy for a co-opted governor on the school's Governing Board. This differs from the role of Parent Governor, in that Co-opted governors are appointed by the Governing Board on the basis of their skills and experience. In order to fill this vacancy, we would like to co-opt a person with marketing skills. This is because we have identified this as a gap in the range of skills held by current governors and have agreed that it would assist the school in achieving its objectives.

If any parent has these skills and is interested in becoming a Co-opted Governor, please could they email an expression of interest to Sandra Jones, the Chair of Governors at Sa.Jones@Btinternet.com by Friday 19 October. This should explain why they are interested in the role and provide a brief summary of their relevant skills and experience. If anyone would like to know more before applying, please email Sandra at the above address.

New Telephone System

We are pleased that a new telephone system has been installed this week following various problems with the previous system, including difficulties callers had accessing the message service. We hope the new system will be a big improvement and we would welcome your feedback.
