Dear Parent/Carer,

**RE: Concerns over the spread of coronavirus**

In accordance with guidance from the Government, we would like to confirm that the school currently remains open.

It is however very important that parents/carers to make sure that children stay at home for 7 days if they have any of the following symptoms:

- A new, continuous cough
- A high temperature i.e. 37.8 degrees and above

If your child is going to be absent, please inform us in the usual way by calling us on 020 8994 6835.

Any child with the described symptoms should only return to school after the 7 day period if they are feeling better and no longer have a high temperature.

Thank you for your continued support,

Yours sincerely,

*A. Coleman*
