PRIMARY SCHOOL

12th March 2020

Dear Parent/Carer,

Please be aware that the school continues to carefully monitor the situation with regard to concerns over the spread of coronavirus and will ensure that parents/carers are informed of any significant updates.

Please be assured that the school has developed a contingency plan in the event that the Government does decide that schools in the UK will need to close for a period of time. This includes providing opportunities for children to continue their learning using online resources and receiving regular updates from their teachers via ParentMail and the School's Website.

In the meantime, we will continue to do our utmost to restrict the spread of germs in the school by thorough cleaning routines and encouraging children, staff and visitors to:

- Regularly wash their hands with soap and water and especially before meal times and after using the toilet
- Use tissues to catch coughs or sneezes
- Bin the tissue after use and wash hands accordingly

Please be aware that further Government updates along with specific details/maps of the affected countries/areas can be found at <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

Thank you for your continued support and understanding,

Yours sincerely,

I.A. Coleman

G.R. Murrell

A.Coleman (Head of School)

GR Murrell (Executive Headteacher)
