

The Cavendish Community Newsletter

Hello Cavendish,

It's nearly a new year and with that comes a lot of NEW news from the PTA. Firstly a NEW name because our community is so much more than just parents and teachers, it's grandparents, it's carers, it's aunts, it's uncles, it's staff and it's family friends...so let me introduce you to The Cavendish Community. Plus we have a new Cavendish Community Newsletter, new events to enjoy and an exciting new fundraising goal dedicated to supporting, inspiring and empowering the students and teachers of Cavendish Primary School.

We know that just getting the kids out the door in the morning without half their breakfast on their uniform takes nearly all our energy, BUT if you have any spare time, a skill, an interest or just want to be involved in the Cavendish Community without having to commit to a specific role please drop us a line and we will keep you in the loop via the NEW Cavendish Community Hub.

The Hub is a centralised online location for everything to do with The Cavendish Community.

So, let's get the party started and let's do what we can for our kids!

Thanks so much
The Cavendish Community

We would love to hear from you
