lunchtime certificates for good behaviour. Mrs Coleman agreed that positive behaviour during lunchtime play is a priority and stated that additional training for the lunchtime supervisors is being planned.

- There was a discussion about PE and PE clubs. A greater emphasis on skills being taught rather than on games and competition was requested. It was also suggested that a greater of variety of sports could be taught. A request was made to improve the handover of children to parents at the end of after school clubs. There was positive feedback about Running Club. Mrs Coleman agreed to discuss the above with PE staff/ providers and to monitor.
