

1. UK Safer Internet Centre

UK Safer Internet Centre: The European Commission appointed UK Safer Internet Centre is made up of three partners; Childnet International, the South West Grid for Learning and the Internet Watch Foundation. Together we raise awareness about internet safety, develop information materials and resources and organise high profile events such as Safer Internet Day. You can access a range of resources from across the UK, Europe and wider afield at www.saferinternet.org.uk/parents.

Registered UK Charity: 1080173

Childnet: Childnet International is a non-profit organisation working in partnership with others around the world to help make the internet a great and safe place for children. The Childnet website hosts all the online resources detailed below, as well as a number of recommended resources for young people, parents, carers and teachers. The Parents and Carers area also contains key advice, information on reporting and detailed information on a range of e-safety topics in the Hot topics section. www.childnet.com

Registered UK Charity: 1120354

South West Grid for Learning: The South West Grid for Learning (SWGfL) is a not for profit, charitable trust dedicated to the advancement of education through information and communication technologies. They provide safe, supported broadband internet, teaching and learning services for 2,500 schools in the South West of England and e-safety education and training regionally, nationally and internationally. They provide professionals, parents and children with advice, resources and support to use internet technologies safely to enhance learning and maximise potential. www.swgfl.org.uk

Registered UK Charity: 1112398

Internet Watch Foundation: The Internet Watch Foundation is the UK's hotline for reporting illegal content found on the internet. It deals specifically with child abuse and criminally obscene images hosted in the UK and internationally. The IWF works in partnership with the online industry, law enforcement, government, and international partners. It is a charity and a self-regulatory body with over 100 Members from the online industry. www.iwf.org.uk

2. Safer Internet Day

Safer Internet Day: Celebrated globally every year, Safer Internet Day offers the opportunity offers the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community. It calls upon young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together and play their part for a better internet. Ultimately, a better internet is up to us! www.saferinternetday.org.uk

3. Factsheets/information for parents and carers

Supporting Young People Online: A free guide created by Childnet providing Information and advice for parents and carers on supporting young people online. The advice is also available in 12 additional languages including Arabic, Hindi, Polish, Spanish, Urdu and Welsh. www.childnet.com/resources/supporting-young-people-online

Information and Advice for Foster Carers/Adoptive Parents: The UK Safer Internet Centre has worked together with Islington Council to create leaflets for foster carers and adoptive parents. The leaflets, which are free to download and easy to print, include top tips and conversation starters to help foster carers and adoptive parents get to grips with internet safety. www.saferinternet.org.uk/fostering-adoption

Keeping Under Fives Safe Online: Children love using technology and are learning to navigate websites, online games and consoles, and touch screen technology like iPads and smartphones from a younger and younger age. This advice contains top tips for parents and carers for keeping children aged five and under safe online. www.childnet.com/resources/keeping-under-fives-safe-online

4. Online resources for parents and carers

A Parents' Guide to Technology: The UK Safer Internet Centre has created this guide to answer commonly asked questions and introduce some of the most popular devices used by children, highlighting the safety tools available and empowering parents with the knowledge they need to support their children to use these technologies safely and responsibly. www.saferinternet.org.uk/parent-tech

Internet Parental Controls: The four big internet providers - BT, Sky, Talk Talk and Virgin Media - provide their customers with free parental controls that can be activated at any time. Video tutorials on how to download and use these controls are available on the UK Safer Internet Centre website. www.saferinternet.org.uk/parental-controls

Safety Tools on Social Networks and other Online Services: Information and advice on the safety tools, age requirements and terms and conditions for a variety of online services popular with young people. www.saferinternet.org.uk/safety-tools

Online Gaming: Childnet's guide contains helpful advice and information on supporting children and young people playing games online. www.childnet.com/online-gaming

Young People & Social Networking Sites: Aims to help parents understand the positive and creative ways young people are using social networking spaces (e.g. Facebook, Twitter and Instagram). It also points out the potential risks of using these sites and ways to minimise these risks. www.childnet.com/sns

Social Network Checklists: Free guides produced by the UK Safer Internet Centre that contain detailed instructions and information on privacy and account settings on Facebook, Twitter, Snapchat and Instagram. www.saferinternet.org.uk/checklists
